Part II. Express Path Software License - Terms and Conditions

This License Agreement (this "**Agreement**") is entered into as of the **Effective Date**, by and between **Licensee** and **President and Fellows of Harvard College**, an educational and charitable corporation existing under the laws and the constitution of the Commonwealth of Massachusetts, having a place of business at Richard A. and Susan F. Smith Campus Center, Suite 727, 1350 Massachusetts Avenue, Cambridge, Massachusetts 02138 ("**Harvard**"). Harvard and Licensee are referred to herein each as a "**Party**", and together as the "**Parties**".

WHEREAS, Licensee wishes to obtain a license under Harvard's interests in the Copyrights, and Harvard desires to have products and/or services based on, incorporating or developed through the use of the Software, developed and commercialized to benefit the public;

WHEREAS, Licensee has represented to Harvard, in order to induce Harvard to enter into this Agreement, that Licensee shall commit itself to commercially reasonable efforts to develop and commercialize such products and/or services.

NOW, THEREFORE, the Parties hereto, intending to be legally bound, hereby agree as follows:

1. Definitions. As used in this Agreement, the terms with initial letters capitalized, whether used in the singular or plural form, shall have the meanings set forth in the Glossary - Part III hereto, or, if not listed therein, the meaning designated in places throughout this Agreement.

2. License.

2.1. License Grant. Subject to the terms and conditions set forth in this Agreement, Harvard hereby grants to Licensee an exclusive, worldwide, royalty-bearing license under Harvard's interest in the Copyrights to use, execute, reproduce, modify, display, perform, transmit, distribute internally or externally, sell, and prepare Derivative Works based upon, the Software, solely within the Field; provided, however, that:

2.1.1. Harvard retains the right, for itself, and for other not-for-profit research organizations and government agencies, to use the Software within the scope of the license granted above, solely for research, sponsored research, educational and scholarly purposes;

2.1.2. Harvard licenses the Software hereunder on an "as-is" basis, and Harvard has no obligation to maintain, update, debug, or support the Software; and

2.1.3. Notwithstanding anything in this Agreement to the contrary, the licenses, rights, and exclusivity granted to Licensee are subject to any rights of the United States Government arising under applicable law, regulation, or any federal contract, grant, cooperative agreement, subcontract, subaward, CRADA, other transaction agreement, or other funding agreement pursuant to which the Software was authored, developed, created, acquired, modified, or delivered, including but not limited to applicable rights under the Bayh-Dole Act, FAR, DFARS, and 2 C.F.R. Part 200. Nothing in this Agreement grants or is intended to grant the United States Government any rights greater than those to which it is otherwise entitled under applicable law or the applicable funding agreement. The exercise of any such Government rights shall not constitute a breach of Harvard's obligations of exclusivity under this Agreement.

2.2. Affiliates. The licenses granted to Licensee under Section 2.1 include the limited right to permit Licensee's Controlled Affiliates to exercise or perform Licensee's rights or obligations under this Agreement, solely on Licensee's behalf, and only so long as such Affiliate remains a Controlled Affiliate of Licensee; provided, however, that (i) the acts and omissions of any such Controlled Affiliate will be treated hereunder as those of Licensee, (ii) no Controlled Affiliate may sublicense any right hereunder, (iii) such Controlled Affiliates' exercise

SAMPLE

or performance of any rights hereunder will be subject to the terms of this Agreement, including Section 2.3 hereof and (iv) Licensee will be responsible for all such Controlled Affiliates' acts and omissions hereunder.

2.3. Sublicenses; Delivery of Agreements.

2.3.1. Sublicense Grant. Licensee will be entitled to grant Sublicenses to Third Parties, subject to the terms of this Section 2.3. Any such Sublicense shall be on terms and conditions in compliance with and not inconsistent with the terms of this Agreement.

2.3.2. Sublicense Agreements. Licensee, and Sublicensees, shall grant Sublicenses pursuant to written agreements negotiated at arms' length at FMV, which will be subject and subordinate to the terms and conditions of this Agreement. Such Sublicense agreements will contain all provisions necessary to ensure Licensee's ability to perform its obligations under this Agreement, and will otherwise comply with all the terms of this Agreement. Each Sublicense shall contain a section substantially the same as Article 8 of this Agreement, which also will state that the Indemnitees (as defined in Section 8.1) are intended third party beneficiaries of such Sublicense agreement for the purpose of enforcing such indemnification. In the event of termination of the license set forth in Section 2.1 (in whole or in part (e.g., termination in a particular country)), any existing Sublicense agreement shall terminate to the extent of such terminated license.

2.3.3. Delivery of Sublicense Agreements. Licensee shall furnish Harvard with a fully executed copy, written in the English language, of any Sublicense agreement within ten (10) business days after its execution. Harvard shall keep all such copies in its confidential files and shall use them solely for the purpose of monitoring Licensee's and Sublicensees' compliance with their obligations hereunder and enforcing Harvard's rights under this Agreement.

2.3.4. Breach by Sublicensee. Any act or omission by a Sublicensee that would have constituted a breach of this Agreement had it been an act or omission by Licensee shall constitute a breach of this Agreement.

2.4. Third Party Software. Although the Software may be used or useful in connection with Third Party Software, this Agreement does not grant Licensee any license or sublicense to any Third Party Software or the copyrights therein, and Licensee remains solely responsible for obtaining any license rights necessary for Licensee and its Controlled Affiliates, Sublicensees or End Users to use any Third Party Software.

2.5. No Other Grant of Rights. Except as expressly provided herein, nothing in this Agreement will be construed to confer any ownership interest, license, waiver of enforcement, immunity or other rights, privileges or defenses upon Licensee by implication, estoppel or otherwise as to any technology, intellectual property rights, products or biological materials of Harvard, or any other entity, regardless of whether such technology, intellectual property rights, products or biological materials are dominant, subordinate or otherwise related to the Software.

3. Development and Commercialization.

3.1. Diligence. Licensee shall use commercially reasonable efforts and shall cause its Sublicensees to use commercially reasonable efforts: (a) to develop Software Products in accordance with the Development Plan; (b) to introduce Software Products into the commercial market; and (c) to market Software Products following such introduction into the market. In addition, Licensee, by itself or through its Controlled Affiliates or Sublicensees, shall cause each of the Development Milestones in Item F of Part I of this Agreement to be achieved for Software Products within the time periods specified therein. In addition, Licensee shall achieve the Financing Milestone as set forth in Item F of Part I of this Agreement within the time periods specified therein.

SAMPLE

3.2. Reporting. Within sixty (60) days after the end of each calendar year, Licensee shall deliver to Harvard an Annual Report for the prior calendar year in the form of the "Annual Diligence Report and Certification" found here, with each section completed in full, and in sufficient detail to facilitate Harvard's compliance with its obligations under law including but not limited to under the Bayh-Dole Act and all regulations promulgated thereunder. Each such report must contain a sufficient level of detail for Harvard to assess whether Licensee is in compliance with its obligations under Section 3.1 and a discussion of intended efforts for the then-current calendar year. In addition, if at any other time during the Term, or any time thereafter with respect to any applicable reporting period during which this Agreement was in effect, Harvard requires additional information for its compliance obligations under law (including but not limited to under the Bayh-Dole Act, any regulations promulgated thereunder or any reporting requirements of any applicable funding agencies), it shall make a written request of Licensee and Licensee shall provide the requested information within ten (10) days of receipt of such written request. Within thirty (30) days after the achievement of a Development Milestone, Licensee shall provide Harvard with written notice of such achievement.

3.3. Failure to Meet Development Milestone. If Licensee fails to achieve any Development Milestone or the Financing Milestone, as set forth in Item F of Part I of this Agreement, then Harvard shall have the immediate right and option, upon written notice to Licensee, to either terminate this Agreement or convert the license to the Copyrights granted hereunder from exclusive to nonexclusive. This conversion right, if exercised by Harvard, supersedes the exclusivity rights granted in Article 2.

3.4. End User License Language; Copyright Notice. Licensee shall include in all End User Licenses, in the same point font style and size as the related text, the following:

"Copyright Notice and Disclaimer.

The software [or "Portions of the software"] incorporated herein is Copyright © ____, President and Fellows of Harvard College ("Harvard"). All Rights Reserved.

The name "Harvard" (alone or as part of another name) or any logos, seals, insignia or other words, names, symbols or devices that identify Harvard or any Harvard school, unit, division or affiliate may not be used to endorse or promote products derived from this software without specific prior written permission.

IN NO EVENT SHALL HARVARD BE LIABLE TO ANY PARTY FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF THE USE OF THIS SOFTWARE, EVEN IF HARVARD HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. HARVARD SPECIFICALLY DISCLAIMS ANY WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE SOFTWARE PROVIDED HEREUNDER IS PROVIDED "AS IS". HARVARD HAS NO OBLIGATION TO PROVIDE MAINTENANCE, SUPPORT, UPDATES, ENHANCEMENTS OR MODIFICATIONS."

Licensee may adapt the foregoing language solely in order to conform to the copyright and other intellectual property laws and practices of any jurisdiction outside of the United States where Software Products are sold for purposes of ensuring maximum enforceability of such copyright protection in such jurisdiction.

4. Financial Terms.

SAMPLE

4.1.1. Issuance. As partial consideration for the license granted hereunder to the Copyright in the Software, and pursuant to a stock issuance agreement entered into by the Parties on or about the Effective Date, substantially in the form of the "Subscription Agreement for Common Stock" found here, Licensee shall issue to Harvard a number of shares of Licensee's common stock representing two percent (2%) of Licensee's capital stock on a Fully Diluted Basis after giving effect to such issuance (the "**Shares**"). The Shares shall have the rights and obligations set forth in the then-effective Certificate of Incorporation and Bylaws of Licensee, which such documents shall be in the same form, without modification, amendment or supplement, as those provided to Harvard and as certified by Licensee prior to the Effective Date. Upon (i) the date of issuance of the Shares and, if applicable, any Anti-Dilution Shares, (ii) any Liquidation Event, (iii) closing of any round or tranche of dilutive funding (including equity or convertible securities) or other dilutive event, or (iv) at the request of Harvard (which request may be made only once per Calendar Quarter), Licensee shall provide to Harvard a capitalization table (a "**Cap Table**") which shall include the number of shares of capital stock of Licensee issued and outstanding, and the related ownership percentage, on a Fully Diluted Basis, of each of the owners of record of capital stock of Licensee, and the amount of investment made by each owner of record in exchange for such stock.

4.1.2. Anti-Dilution. If, at any time until immediately after the achievement of the Anti-Dilution Threshold (as defined below), Licensee issues Additional Securities that would cause the Shares and any Anti-Dilution Shares already issued to represent less than two percent (2%) of Licensee's capital stock on a Fully-Diluted Basis, concurrently with the issuance of such Additional Securities, Licensee shall issue to Harvard for no additional consideration such additional number of shares of common stock of Licensee (the "**Anti-Dilution Shares**") such that the cumulative amount of Shares and Anti-Dilution Shares held by Harvard shall equal two percent (2%) of the capital stock of Licensee on a Fully Diluted Basis, as calculated after giving effect to the issuance of such Anti-Dilution Shares and the issuance of such Additional Securities through the Anti-Dilution Threshold, but not any issuances in consideration for investment amounts in excess of the Anti-Dilution Threshold. Such issuances shall continue only up to, and until the Anti-Dilution Threshold has been reached. Thereafter, no additional shares shall be due to Harvard pursuant to this Section 4.1.2. For avoidance of doubt, in the event that Licensee issues Additional Securities in exchange for a new investment which, together with other previous investments in Licensee, exceeds the Anti-Dilution Threshold, then the Anti-Dilution Shares in connection with such issuance will be calculated only with respect to the Additional Securities that would have been issued if the new investment, together with other previous investments in Licensee, equaled the Anti-Dilution Threshold exactly (with the number of Anti-Dilution Shares being rounded up to the nearest whole share). Solely for purposes of this Section 4.1, convertible debt instruments issued by Licensee in consideration for cash shall be deemed Additional Securities immediately upon conversion of such convertible debt instruments into equity securities. For the avoidance of doubt, any securities purchased through the Purchase Right set forth in Section 4.3 shall not be included in the Anti-Dilution calculation set forth herein. Upon request, but no more frequently than once per Calendar Quarter, Licensee will deliver to Harvard a statement of the capital stock of Licensee on a Fully Diluted Basis in sufficient detail as to permit Harvard to calculate its percentage equity ownership in Licensee on a Fully Diluted Basis.

4.2. Payments. All payments due under this Agreement will be paid in U.S. Dollars. Conversion of foreign currency to U.S. Dollars will be made at the conversion rate existing in the United States (as reported in the *Wall Street Journal*) on the last working day of the applicable Calendar Quarter. Such payments will be without deduction of exchange, collection or other charges. Any payments by Licensee that are not paid on or before the date such payments are due under this Agreement will bear interest at the lower of (a) one and one half percent (1.5%) per month and (b) the maximum rate allowed by law. Interest will accrue beginning on the first day following the due date for payment and will be compounded quarterly. Payment of such interest by Licensee shall not limit, in any way, Harvard's right to exercise any other remedies Harvard may have as a consequence of the lateness of any payment. Each payment due to Harvard under this Agreement shall be paid by check or wire transfer of funds to Harvard's account in accordance with written instructions provided by Harvard. If made by wire transfer, such payments shall be marked so as to refer to this Agreement. All amounts to be paid to Harvard pursuant to this Agreement shall be without deduction of exchange, collection, or other charges, taxes (including VAT) or other government imposed fees, including any withholding taxes.

4.3. Participation Rights. If Licensee proposes to sell any equity securities or securities that are convertible into equity securities of Licensee after the Effective Date of this Agreement, then Harvard shall have the right, but not the obligation, to purchase for cash, up to the PR Share of the securities issued in any Qualifying Offering (the "**Purchase Right**"). The Purchase Right is assignable, in whole or in part, by Harvard to Osage University Partners or any of its affiliated investment funds (each, an "**Osage Party**" and collectively, the "**Osage Parties**") and/or to any entity controlled by Harvard (such Harvard-controlled entity and each such Osage Party, a "**Permitted PR Assignee**"). Except to the extent that Harvard assigns its Purchase Right to one or more Permitted PR Assignees, no investment by a Permitted PR Assignee in Licensee shall reduce or otherwise affect Harvard's rights to participate in any Qualifying Offering under this Agreement. Licensee shall provide Harvard with prior written notice at least twenty (20) Harvard business days (i.e., days other than Saturdays, Sundays and holidays or other days on which Harvard is officially closed) in advance of each such Qualifying Offering ("**PR Notice Period**") and details regarding such Qualifying Offering, including, without limitation, as set forth in Section 4.3.3(B)(1) below. Notifications to be sent pursuant to this Section 4.3 (Participation Rights) shall be sent to otd@harvard.edu.

4.3.1. Excluded Issuances. The Purchase Right shall not apply to the issuance of securities: (i) to employees, individuals who are members of Licensee's Board of Directors as of the time of issuance, and service providers to Licensee pursuant to a plan, agreement or arrangement approved by Licensee's Board of Directors; (ii) as additional consideration in lending or leasing transactions; (iii) to an entity pursuant to an arrangement that Licensee's Board of Directors determines in good faith is a strategic partnership or similar arrangement of Licensee (i.e., an arrangement in which the entity's purchase of securities is not primarily for the purpose of raising working capital for Licensee); or (iv) to owners of another entity in connection with the acquisition of that entity by Licensee.

4.3.2. Coordination with Section 4.1 (Equity). For the avoidance of doubt: (i) any securities Harvard may acquire or have the right to acquire under Section 4.1 above shall not reduce the number of securities Harvard and the Permitted PR Assignees may collectively purchase under this Section 4.3 or under any rights agreement or similar agreement regarding Licensee entered into by Harvard (each, a "**Rights Agreement**"); and (ii) Harvard shall not be obligated to purchase under this Section 4.3 any Licensee securities it has the right to receive under Section 4.1 above. For additional clarity, any securities purchased through the Purchase Right set forth in this Section 4.3 shall not be included in any calculation of Anti-Dilution Shares to be issued to Harvard in accordance with Section 4.1, and shall be tracked separately on Licensee's capitalization table from the Shares and any Anti-Dilution Shares.

4.3.3. Rights Agreements; Information Rights; Notice; Elections.

(A) Licensee shall ensure that each Rights Agreement to which Harvard or any Permitted PR Assignee is a party will at all times grant Harvard and any such Permitted PR Assignee the same rights as all other investors that are parties to that Rights Agreement, including, without limitation: the same right to purchase additional securities in future offerings; the same information rights; the same registration rights as are granted to other parties thereto; and all such rights granted to any investor designated as a "**Major Investor**" or other similar designation, even if Harvard is not so designated. Notwithstanding the foregoing, this Section 4.3.3 shall not be construed to limit any rights to which Harvard would otherwise be entitled under this Agreement.

(B) Notwithstanding any terms to the contrary contained in any applicable Rights Agreement:

(1) In connection with all Qualifying Offerings, Licensee shall give Harvard written notice ("**PR Notice**") of the terms of the offering, including: (i) the names of the investors, the allocation of equity and equity-linked securities among them, and the total amounts to be invested by each of them in such offering; (ii) pre- and post- (projected) financing capitalization table; (iii) investor presentation(s); (iv) an introduction to the lead investor in such offering for the purpose of discussing the lead investor's due

SAMPLE

diligence process and evaluation of the investment opportunity; and (v) such other documents and information as Harvard may reasonably request for the purpose of making an investment decision or verifying the number of units of the equity or equity-linked security it is entitled to purchase in such offering; and

(2) Harvard will have a period of twenty (20) Harvard business days after receiving a PR Notice of a Qualifying Offering to elect to (i) exercise its Purchase Right in whole or in part, (ii) decline to exercise its Purchase Right, or (iii) take no action (in which case Harvard will be deemed to have declined to exercise its Purchase Right). Licensee shall provide Harvard updated information promptly after information in the PR Notice becomes inaccurate, regardless of whether Harvard has previously elected or declined to exercise its Purchase Right. If the updated information constitutes a material change from the information included in the original PR Notice (as it may have been previously updated), a new PR Notice Period for the Qualifying Offering will commence and Harvard may within twenty (20) Harvard business days from and including the date it received the updated information either (x) modify or revoke a previous election, (y) make a new election if it had previously declined to exercise its Purchase Right, or (z) take no action (in which case Harvard's election in the immediately previous PR Notice Period will continue to apply).

(C) If Harvard has no information rights under a Rights Agreement and to the extent that such information has been prepared by Licensee for other purposes, so long as Harvard holds Licensee securities, Licensee shall furnish to Harvard, upon request and as promptly as reasonably practicable, Licensee's annual consolidated financial statements and annual operating plan, including a report of the holders of Licensee's securities, and such other information as Harvard may reasonably request from time to time for the purpose of valuing its interest in Licensee.

(D) Notwithstanding any notice provision in this Agreement to the contrary, any notice given under this Agreement that refers or relates to any of Section 4.3 above or this Section 4.3.3 shall be copied concurrently to otd@harvard.edu; provided, however, that delivery of the copy will not by itself constitute notice for any purpose under this Agreement.

4.3.4. Termination of Right. The Purchase Right shall terminate upon the earliest to occur of the following (each a "**Termination Event**"):

(1) Immediately prior to the closing of a firm commitment underwritten public offering of Licensee's common stock;

(2) Immediately prior to the closing of the sale of all or substantially all of Licensee's assets or voting stock to a company that has a class of securities publicly traded on one of the major recognized exchanges for cash, marketable securities of such company, or both; or

(3) Immediately prior to the closing of a bona fide acquisition of all or substantially all of Licensee's assets or voting stock for cash, marketable securities, or both by either:

(a) a private operating company (as opposed to a shell company or other business entity organized primarily for the purpose of acquiring such assets or voting stock); or

(b) an investment firm or other financial buyer in furtherance of a "roll-up" or similar strategy in Licensee's current or prospective market(s);

provided that, in each case: (i) such acquisition is duly approved by (x) Licensee's Board of Directors in accordance with applicable fiduciary duties and (y) Licensee's stockholders in accordance with the law of Licensee's jurisdiction of organization; and (ii) no person or entity that held Licensee securities immediately prior to the closing of such acquisition shall have any right, arrangement or understanding

SAMPLE

to purchase any direct or indirect interest in the acquiring entity unless Harvard is advised in writing of the terms thereof and is given a written offer to receive such right, arrangement or understanding.

4.4. Non-Circumvention and Observers Rights. Before an IPO, or bona fide sale of substantially all of Licensee's assets, Licensee will: (a) not enter into any contractual relationship or license with any of its Affiliates or any Sublicensee that materially devalues the grant of equity interests under Section 4.1, or circumvents the intent of the equity grant provided for in Section 4.1, as the case may be, and (b) permit one representative of Harvard (the "**Observer**") to attend all meetings of its Board of Directors (whether in person or by electronic conferencing) in a non-voting observer capacity. Pursuant to the confidentiality terms of Section 11, Licensee will provide the Observer with copies of all board packets, notices, minutes, written consents, and other materials that it provides to members of its Board of Directors, (including private placement memoranda and other documents regarding proposed capitalization and equity raises) at the time it provides them to the members.

5. Records.

5.1. Licensee shall maintain, and shall cause its Affiliates and Sublicensees and any other Invoicing Entities to maintain, complete and accurate records of Software Products that are made, used, sold, leased or transferred under this Agreement, which records shall contain sufficient information to permit Harvard to confirm the accuracy of any reports or notifications delivered to Harvard under Section 3.1. Licensee, its Affiliates and/or its Sublicensees, as applicable, shall retain such records relating to a given Calendar Quarter for at least five (5) years after the conclusion of that Calendar Quarter, during which time Harvard will have the right, at its expense, to cause an independent, certified public accountant (or, in the event of a non-financial audit, other appropriate auditor) to inspect such records during normal business hours for the purposes of verifying the accuracy of any reports and payments delivered under this Agreement and Licensee's compliance with the terms hereof. Such accountant or other auditor, as applicable, shall not disclose to Harvard any information other than information relating to the accuracy of reports and payments delivered under this Agreement. The Parties shall reconcile any underpayment or overpayment within thirty (30) days after the accountant delivers the results of the audit. If any audit performed under this Section 5.1 reveals an underpayment in excess of five percent (5%) in any calendar year, Licensee shall reimburse Harvard for all amounts incurred in connection with such audit. Harvard may exercise its rights under this Section 5.1 only once every year per audited entity and only with reasonable prior notice to the audited entity.

6. Enforcement of Copyrights.

6.1. Notice. In the event either Party becomes aware of any possible or actual infringement of the Copyright with respect to products or services in the Field in one or more countries (an "**Infringement**"), that Party shall promptly notify the other Party and provide it with details regarding such Infringement.

6.2. Suit by Licensee. Licensee shall have the first right, but not the obligation, to take action in the prosecution, prevention, or termination of any Infringement. If Licensee does not take action in the prosecution, prevention, or termination of any Infringement pursuant to this Section 6.2, and has not commenced negotiations with the infringer for the discontinuance of said Infringement, within ninety (90) days after delivery of notice to Licensee by Harvard, or notice to Harvard by Licensee, of the existence of an Infringement, Harvard may elect to do so. No later than thirty (30) days before Licensee commences an action with respect to any Infringement, Licensee shall provide Harvard with evidence of a meritorious nature (i.e., evidence that shows a reasonable likelihood of success on the merits) that it is using as a basis for bringing the claim of Infringement and shall consider in good faith the views of Harvard and potential effects on the public interest in making its decision whether to sue. An enforcement action brought by Licensee for Infringement by a third party under this Section 6.2 must be in connection with a Software Product that Licensee, its Affiliate or a Sublicensee is developing, marketing or selling at the time of such Infringement, and Licensee shall not pursue a claim other than for monetary damages and shall not seek any form of injunctive relief in any enforcement action without the prior written consent of

SAMPLE

Harvard. Should Licensee elect to bring suit against an infringer, Licensee shall keep Harvard reasonably informed of the progress of the action and shall give Harvard a reasonable opportunity in advance to consult with Licensee and offer its views about major decisions affecting the litigation. Licensee shall give careful consideration to those views, but shall have the right to control the action; provided, however, that if Licensee fails to defend in good faith the validity and/or enforceability of the Copyrights in the action, or if Licensee's license to a Valid Claim in the suit terminates, Harvard may elect to take control of the action. In all cases, Licensee shall hold Harvard free, clear and harmless from and against any and all expenses, including reasonable attorneys' fees, incurred by Harvard with respect to the prosecution, adjudication and/or settlement of such Infringement suit, including any related appeals ("**Litigation Expenses**"). Licensee shall reimburse any and all such Litigation Expenses incurred by Harvard within thirty (30) days after receiving an invoice from Harvard for the same. Licensee shall not compromise or settle such litigation without the prior written consent of Harvard, which consent shall not be unreasonably withheld or delayed. For clarity, Harvard's consent shall not be deemed to have been unreasonably withheld or conditioned if there is a substantial adverse effect to the public interest in removing a product from the market as a result of such compromise or settlement. Financial recoveries from any Infringement suit initiated by Licensee shall first be applied to reimburse Licensee for all costs and expenses of every kind and character, including reasonable attorneys' fees, necessarily incurred in the prosecution of any such suit. If, after such reimbursement, any funds shall remain from said recovery, then Harvard and Licensee shall share equally in the remaining funds.

6.3. Own Counsel. Each Party shall always have the right to be represented by counsel of its own selection and at its own expense in any suit instituted under this Article 6 by the other Party for Infringement; provided that Licensee shall reimburse Harvard for all out-of-pocket costs, including attorneys' fees, incurred by Harvard in retaining one separate counsel for Harvard if representation of both Licensee and Harvard by counsel retained by Licensee in such enforcement action would be inappropriate because of actual or potential differences in the interests of Harvard and any other party represented by such counsel, including Licensee.

6.4. Declaratory Judgment. If a declaratory judgment action is brought naming Licensee and/or any of its Affiliates or Sublicensees as a defendant and alleging invalidity or unenforceability of the Copyrights, Licensee shall promptly notify Harvard in writing and Harvard may elect, upon written notice to Licensee within thirty (30) days after Harvard receives notice of the commencement of such action, to take over the sole defense of the invalidity and/or unenforceability aspect of the action.

7. Warranties; Limitation of Liability.

7.1. Compliance with Law. Licensee represents and warrants that it will comply, and will ensure that its Affiliates and Sublicensees comply, with all local, state, federal and international laws and regulations relating to the development, manufacture, use, sale and importation of products and services utilizing the Software. Without limiting the foregoing, Licensee represents and warrants, on behalf of itself and its Affiliates and Sublicensees, that it shall comply with all United States trade control laws and regulations (including, but not limited to, the Export Administration Regulations (15 CFR 730-774, "EAR"), the International Traffic in Arms Regulations (22 CFR 120-130) and the various executive orders and economic sanctions regulations administered by the U.S. Department of the Treasury (31 CFR 500-600)) (collectively, "**Trade Control Laws**"). Among other things, these laws and regulations prohibit or require a license for the export of certain types of commodities and technical data to specified countries. Licensee hereby gives written assurance that it will comply with, and will cause its Affiliates to comply with (and will contractually obligate its Sublicensees to comply with), all United States Trade Control Laws, that it bears sole responsibility for any violation of such Trade Control Laws by itself or its Affiliates or Sublicensees, and that it will indemnify, defend, and hold Indemnitees harmless (in accordance with Section 9.1) for the consequences of any such violation.

7.2. No Warranty.

7.2.1. NOTHING CONTAINED HEREIN SHALL BE CONSTRUED (A) AS A

SAMPLE

REPRESENTATION OR WARRANTY BY HARVARD THAT ANY OF THE COPYRIGHTS WILL AFFORD ADEQUATE OR COMMERCIALLY WORTHWHILE PROTECTION, (B) AS A REPRESENTATION OR WARRANTY BY HARVARD AS TO THE VALIDITY, ENFORCEABILITY OR SCOPE OF ANY COPYRIGHTS, (C) AS AN OBLIGATION TO BRING OR PROSECUTE ACTIONS OR SUITS AGAINST THIRD PARTIES FOR COPYRIGHT INFRINGEMENT EXCEPT AS EXPRESSLY PROVIDED IN ARTICLE 6, OR (D) AS THE CONFERRAL OF ANY LICENSE OR RIGHTS UNDER ANY INTELLECTUAL PROPERTY RIGHTS OF HARVARD OTHER THAN THE COPYRIGHTS.

7.2.2. HARVARD MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER AS TO THE COMMERCIAL OR SCIENTIFIC VALUE OF THE COPYRIGHTS OR SOFTWARE. HARVARD MAKES NO REPRESENTATION OR WARRANTY THAT THE USE OR PRACTICE OF THE SOFTWARE OR THE DEVELOPMENT, MANUFACTURE, USE, OFFER FOR SALE, SALE, IMPORTATION OR EXPORTATION OF ANY SOFTWARE PRODUCT OR ANY ELEMENT THEREOF, DOES NOT OR WILL NOT INFRINGE ANY PATENT, COPYRIGHT OR OTHER PROPRIETARY RIGHTS, INCLUDING WITHOUT LIMITATION ANY COPYRIGHTS OR PROPRIETARY RIGHTS OWNED OR CONTROLLED BY HARVARD AND NOT SPECIFICALLY LICENSED UNDER THIS AGREEMENT.

7.3. Limitation of Liability.

7.3.1. Except with respect to matters for which Licensee is obligated to indemnify the Indemnitees under Article 9, neither Party will be responsible for or liable to the other with respect to any subject matter of this Agreement or resulting from the exercise of the license or rights granted under this Agreement under any contract, negligence, strict liability or other legal or equitable theory for (a) any indirect, incidental, consequential, special or punitive damages or lost profits, lost business or other economic loss or (b) cost of procurement of substitute goods, technology or services. The above limitations on liability apply even if the other Party may have been advised of the possibility of such damage.

7.3.2. Harvard's aggregate liability for all damages of any kind arising out of or relating to this Agreement or its subject matter under any contract, negligence, strict liability or other legal or equitable theory shall not exceed the amounts actually paid to Harvard under this Agreement.

8. Indemnification and Insurance.

8.1. Indemnity.

8.1.1. At Licensee's sole expense, Licensee shall indemnify, defend and hold harmless Harvard, and its current and former directors, governing board members, trustees, officers, faculty, medical and professional staff, employees, fellows, students and agents and their respective successors, heirs and assigns (collectively, the "**Indemnitees**"), against any and all Third Party claims, suits, actions, investigations, demands or judgments (including, but not limited to, actions in the form of contract, tort, warranty or strict liability, collectively, "**Claims**") and any associated liability, damage (including direct, indirect, consequential and special damages), cost, expense, deficiency, loss or obligation of any kind or nature (including reasonable attorney's fees and expenses of litigation) (a "**Loss**"), incurred by or imposed upon the Indemnitees or any one of them in whole or part based upon, arising out of, or otherwise relating to this Agreement or any Sublicense, including (i) any product liability or other Claim of any kind related to use by a third party of a Software Product and (ii) any Claim by a third party that the practice of any of the Copyrights, use of the Software or the design, composition, manufacture, use, sale or other disposition of any Software Product infringes or violates any patent, copyright, trade secret, trademark or other intellectual property right of such third party; (b) any material breach or alleged material breach of this Agreement or any Sublicense by Licensee or its Affiliates or Sublicensees; and (c) the enforcement of Article 8 by any Indemnified Party. The previous sentence will not apply to the extent any Claim is determined with finality by a court of competent jurisdiction to have been caused by the gross negligence or willful misconduct of an Indemnitee.

SAMPLE

Licensee shall not (a) admit fault or liability on any Indemnitee's part, (b) enter into a monetary settlement that imposes any financial obligations on an Indemnitee that is not indemnified by Licensee, (c) fail to obtain a full and unconditional release of all claims and liability against the Indemnitees, and/or (d) enter into a non-monetary settlement that requires an obligation from, or imposes a restriction on, any Indemnitees without such Indemnitees' advance written permission.

8.1.2. Licensee shall, at its own expense, provide attorneys reasonably acceptable to Harvard to defend against any Claims brought or filed against any Indemnitee hereunder with respect to the subject of indemnity contained herein, whether or not such Claims are rightfully brought; provided, however, that Licensee shall pay the costs and expenses for one separate counsel to represent such Indemnitee if representation of such Indemnitee by counsel retained by Licensee would be inappropriate because of actual or potential differences in the interests of such Indemnitee and any other party represented by such counsel.

8.2. Insurance.

8.2.1. Beginning at the time any Software Product is being commercially distributed or sold (other than for the purpose of obtaining regulatory approvals) by or on behalf of Licensee or any other Invoicing Entity, Licensee shall, at its sole cost and expense, procure and maintain commercial general liability insurance in amounts not less than (i) $2,000,000 per incident and $2,000,000 annual aggregate for any period of time during which any Software Product is being commercially distributed or sold, (other than for the purpose of obtaining regulatory approvals) by or on behalf of Licensee or any other Invoicing Entity, and (ii) $1,000,000 per incident and $2,000,000 annual aggregate for any period of time prior to any Software Product being sold by or on behalf of any Invoicing Entity, in either case naming the Indemnitees as additional insureds. Such commercial general liability insurance shall provide: (a) product liability coverage and (b) broad form contractual liability coverage for Licensee's indemnification obligations under this Agreement.

8.2.2. Licensee shall provide Harvard with written evidence of such insurance upon request of Harvard. Licensee shall provide Harvard with written notice at least fifteen (15) days prior to the cancellation, non-renewal or material change that would result in non-compliance with Section 8.2.1 or 8.2.2 and shall obtain replacement insurance providing comparable coverage within such fifteen (15) day period. If Licensee does not obtain replacement insurance providing comparable coverage within such fifteen (15) day period, Harvard shall have the right to terminate this Agreement effective at the end of such fifteen (15) day period without notice or any additional waiting periods.

8.2.3. Licensee shall maintain such commercial general liability insurance beyond the expiration or termination of this Agreement during: (a) the period that any Software Product is being commercially distributed or sold by or on behalf of Licensee or any other Invoicing Entity; and (b) a reasonable period after the period referred to in (a) above which in no event shall be less than seven (7) years.

9. Term and Termination.

SAMPLE

9.2.2.1. In the event that either Party commits a material breach of its obligations under this Agreement and fails to cure that breach within thirty (30) days after receiving written notice thereof, the other Party may terminate this Agreement immediately upon written notice to the Party in breach.

9.2.2.2. If Licensee defaults in its obligations under Section 8.2 to procure and maintain insurance or, if Licensee has in any event failed to comply with the notice requirements contained therein, then Harvard may terminate this Agreement immediately without notice or additional waiting period; provided, that, solely in respect of a breach of the notice requirements contained in Section 8.2.3, so long as Licensee obtained comparable replacement coverage prior to the termination or change in Licensee's prior insurance policy and at no point was in breach of its obligations to maintain adequate insurance coverage, as required under Section 8.2, Licensee may cure such breach of the notice requirements under Section 8.2.3 by providing evidence of such comparable replacement coverage, without any gap in adequate coverage having existed at any time, to Harvard within ten (10) days of notice from Harvard regarding such breach of such notice requirements.

9.2.2.3. Harvard shall be entitled to terminate this Agreement in accordance with the provisions of Section 3.3.

9.2.3. Insolvency. Harvard may terminate this Agreement upon notice to Licensee if Licensee becomes insolvent, is adjudged bankrupt, applies for judicial or extra-judicial settlement with its creditors, makes an assignment for the benefit of its creditors, voluntarily files for bankruptcy or has a receiver or trustee (or the like) in bankruptcy appointed by reason of its insolvency, or in the event an involuntary bankruptcy action is filed against Licensee and not dismissed within ninety (90) days, or if Licensee becomes the subject of liquidation or dissolution proceedings or otherwise discontinues business.

9.3. Effect of Termination.

9.3.1. Termination of Rights. Upon early termination of this Agreement by either Party pursuant to any of the provisions of Section 9.2: (a) the rights and licenses granted to Licensee under Article 2 shall terminate, all rights in and to and under the Copyrights will revert to Harvard and neither Licensee nor its Affiliates or Sublicensees may make any further use or exploitation of the Copyrights or Software; and (b) any existing agreements that contain a Sublicense to use the Software shall terminate to the extent of such Sublicense; provided, however, that, for each Sublicensee, upon termination of the Sublicense agreement with such Sublicensee, if the Sublicensee is not then in breach of its Sublicense agreement with Licensee such that Licensee would have the right to terminate such Sublicense, such Sublicensee shall have the right to seek a license from Harvard. Harvard agrees to negotiate such licenses in good faith under reasonable terms and conditions, which shall not impose any representations, warranties, obligations or liabilities on Harvard that are not included in this Agreement.

9.3.2. Accruing Obligations. Termination or expiration of this Agreement shall not relieve the Parties of obligations accruing prior to such termination or expiration, including obligations to pay amounts accruing hereunder up to the date of termination or expiration. The Parties agree that the obligations in Section 4.1 (Equity) will accrue immediately upon execution of this Agreement by both Parties, regardless of the events, invoice and payment timing details set forth therein.

9.4. Survival. The Parties' respective rights, obligations and duties under Articles 4, 5, 7, 8, 10 and 11 and Sections 3.2, 3.4, 9.3 and 9.4, as well as any rights, obligations and duties which by their nature extend beyond the expiration or termination of this Agreement, shall survive any expiration or termination of this Agreement.

10. Miscellaneous.

10.1. No Security Interest. Licensee shall not enter into any agreement under which Licensee grants to or otherwise creates in any third party a security interest in this Agreement or any of the rights granted to Licensee

herein. Any grant or creation of a security interest purported or attempted to be made in violation of the terms of this Section 10.1 shall be null and void and of no legal effect.

10.2. Use of Harvard Names. Licensee shall not use or register Harvard's name (alone or as part of another name) or any logos, seals, insignia or other words, names, symbols or devices that identify Harvard, including any school, unit, division or affiliate of Harvard ("**Harvard Names**"), for any marketing, publicity or promotional purpose except with the prior written approval of, and in accordance with any restrictions required by, Harvard's Trademark Program. Any such requests for use of any Harvard Names shall be submitted to trademark_useofname@harvard.edu. Without limiting the foregoing, Licensee shall, and shall ensure that its Affiliates and Sublicensees shall, cease all use of Harvard Names on the termination or expiration of this Agreement except as otherwise approved by Harvard. This restriction shall not apply to any information required by law to be disclosed to any governmental entity.

10.3. Entire Agreement. This Agreement, comprised of Parts I, II and III, together with the Equity Documents, contain the entire agreement with respect to the subject matter hereof and except as expressly set forth herein, supersedes all other agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof.

Any notice shall be deemed to have been received as follows: (a) by personal delivery or expedited delivery, upon receipt; (b) by email, on the date sent; (c) by certified mail, as evidenced by the return receipt.

10.5. Governing Law and Jurisdiction. This Agreement will be governed by, and construed in accordance with, the substantive laws of the Commonwealth of Massachusetts, without giving effect to any choice or conflict of law provision, except that questions affecting the construction and effect of any patent shall be determined by the law of the country in which the patent shall have been granted. Any action, suit or other proceeding arising under or relating to this Agreement (a **"Suit**") shall be brought in a court of competent jurisdiction in the Commonwealth of Massachusetts, and the Parties hereby consent to the sole jurisdiction of the state and federal courts sitting in the Commonwealth of Massachusetts. Each Party agrees not to raise any objection at any time to the laying or maintaining of the venue of any Suit in any of the specified courts, irrevocably waives any claim that Suit has been brought in any inconvenient forum and further irrevocably waives the right to object, with respect to any Suit, that such court does not have any jurisdiction over such Party.

10.6. Waiver of Jury Trial. EACH PARTY HEREBY UNCONDITIONALLY, EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION, AT LAW OR IN EQUITY, BASED UPON OR ARISING OUT OF THIS AGREEMENT. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO OR ARISE OUT OF, DIRECTLY OR INDIRECTLY, THIS AGREEMENT OR THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS (INCLUDING NEGLIGENCE), BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. THIS SECTION HAS BEEN FULLY DISCUSSED BY EACH OF THE PARTIES HERETO AND THESE PROVISIONS WILL NOT BE SUBJECT TO ANY EXCEPTIONS. Licensee expressly acknowledges and agrees that (a) Harvard has not made and is not making any representations or warranties whatsoever regarding the subject matter of this Agreement, express or implied, except as expressly provided in this Agreement; (b) Licensee is not relying and has not relied on any representations or warranties whatsoever regarding the subject matter of this Agreement, express or implied, except as expressly provided in this Agreement; and (c) except as expressly provided in this Agreement, no employee, agent, advisor or other representative of Harvard has made or is making any representations or warranties whatsoever regarding the subject matter of this Agreement. This Agreement has been diligently reviewed and negotiated by Harvard and Licensee, and in such negotiations each Party has been represented by competent counsel and the final agreement represents the joint efforts of the Parties and their counsel. Licensee hereby warrants and represents that Licensee understands and agrees to all terms and conditions set forth in this Agreement.

10.8. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective legal representatives, successors and permitted assigns. Furthermore, Licensee's obligations under this Agreement shall be assumed by any successor-in-interest of Licensee in any sale of all or substantially all of the assets of Licensee, or all of the assets of Licensee to which this Agreement relates, and shall be enforceable against such successor by Harvard.

10.9. Headings. Section and subsection headings are inserted for convenience of reference only and do not form a part of this Agreement.

10.10. Counterparts. The Parties may execute this Agreement in two or more counterparts, each of which shall be deemed an original, but both of which together shall constitute one and the same instrument. This Agreement may be executed electronically/digitally in compliance with the Massachusetts Uniform Electronic Transactions Act (MUETA) Mass. Gen. Laws ch. 110G and/or The Electronic Signatures In Global And National Commerce Act (ESIGN) 15 USC ch. 96. Persons signing this Agreement agree that, if used, electronic/digital signatures are intended to authenticate this writing and to have the same force and effect as the use of manual signatures.

10.11. Amendment; Waiver. This Agreement may be amended, modified, superseded or canceled, and any of the terms may be waived, only by a written instrument executed by each Party or, in the case of waiver, by the Party waiving compliance. The delay or failure of either Party at any time or times to require performance of any provisions hereof shall in no manner affect the rights at a later time to enforce the same. No waiver by either Party of any condition or of the breach of any term contained in this Agreement, whether by conduct, or otherwise, in any one or more instances, shall be deemed to be, or considered as, a further or continuing waiver of any such condition or of the breach of such term or any other term of this Agreement.

10.12. No Agency or Partnership. Nothing contained in this Agreement shall give either Party the right to bind the other, or be deemed to constitute either Party as agent for or partner of the other or any third party.

10.13. Assignment and Successors. Licensee may not assign this Agreement or any part of it, either directly or by merger or operation of law, without the prior written consent of Harvard, which will not be unreasonably withheld or delayed. Any prohibited assignment or security interest will be null and void. Notwithstanding any terms and provisions of this Section 10.13 to the contrary, upon a Liquidation Event, Licensee may assign this Agreement to the purchasing entity, without the prior written consent of Harvard, provided that: (i) the assignee has sufficient resources to diligently honor all the terms and provisions of this Agreement; (ii) the assignee is considered to be a business that seeks to generally make technology available to the public in commerce on a commercially reasonable basis and is not primarily engaged in "patent troll" activities; and (iii) the Liquidation Event does not violate any laws and regulations of the United States, including but not limited to the requirement that the purchasing entity does not reside in or is controlled by any country with which the US government prohibits trading for any US citizens or commercial entity.

10.14. Force Majeure. Except for payment obligations hereunder, neither Party will be responsible for delays resulting from causes beyond the reasonable control of such Party, including fire, explosion, flood, war, strike, pandemic, government action or riot, provided that the nonperforming Party uses commercially reasonable efforts to avoid or remove such causes of nonperformance and continues performance under this Agreement with reasonable dispatch whenever such causes are removed.

10.15. Interpretation. Each Party hereto acknowledges and agrees that: (a) it and/or its counsel reviewed and negotiated the terms and provisions of this Agreement and has contributed to its revision; (b) the rule of construction to the effect that any ambiguities are resolved against the drafting Party shall not be employed in the interpretation of this Agreement; (c) the terms and provisions of this Agreement shall be construed fairly as to both Parties hereto and not in favor of or against either Party, regardless of which Party was generally responsible for the preparation of this Agreement; and (d) the use of "include," "includes," or "including" herein shall not be limiting and "or" shall not be exclusive.

10.16. Severability. If any provision of this Agreement is or becomes invalid or is ruled invalid by any court of competent jurisdiction or is deemed unenforceable, it is the intention of the Parties that the remainder of this Agreement shall not be affected.

11. Confidentiality.

11.1. Confidential Information. "**Confidential Information**" of a Party means any information of a Party that is marked as confidential (or, if disclosed orally or in intangible form, that is summarized in a writing that is marked as confidential and delivered to the recipient within thirty (30) days after disclosure) and disclosed by or on behalf of such party ("**Disclosing Party**") to the other party ("**Receiving Party**") pursuant to this Agreement. Without regard to the foregoing marking requirement, the Database shall be considered the Confidential Information of Harvard and treated as such by Licensee and its Affiliates in accordance with this Article 11. As to Harvard, only disclosures by Licensee made solely to Harvard's Office of Technology Development under this Agreement, and not to any other person or office affiliated with Harvard, shall be subject to this Article 11. The Parties agree that they may disclose Confidential Information to each other under this Agreement. Each Party will hold in confidence, from the date of disclosure of the Confidential Information under this Agreement, and for a period ending five (5) years after the end of the Term, the other Party's Confidential Information, and during such period will not disclose the Disclosing Party's Confidential Information to anyone except to its Affiliates, employees, agents or professional advisors who need to know it and who are bound by written obligations of confidentiality at least as restrictive as those set forth herein. Notwithstanding the foregoing, Licensee shall keep the Software confidential, and contractually require any third party with whom it shares the Software to keep such Software confidential, until published by Harvard or otherwise made publicly available (other than as a result of Licensee's breach of its confidentiality obligations hereunder). The Receiving Party will use the Disclosing Party's Confidential Information only to exercise its rights and fulfill its obligations under this Agreement. Neither Party will use, or seek to use, any Confidential Information disclosed by the other Party in support of any patent or copyright filings, without the prior written consent of the other Party. Confidential Information of the Disclosing Party shall not include information that the Receiving Party can demonstrate by competent evidence: (a) was known to the Receiving Party prior to receipt from the Disclosing Party, as documented in written records or publications that lawfully are in the possession of the Receiving Party or known to the Receiving Party prior to such receipt; (b) was lawfully available to the public prior to receipt from the Disclosing Party; (c) becomes lawfully available to the public or otherwise part of the public domain after disclosure or development thereof, as the case may be, and other than through any act or omission of the Receiving Party in breach of the Receiving Party's obligations under this Agreement; (d) corresponds in substance to any information received in good faith and free of any confidentiality obligations by the Receiving Party from any third party without an obligation of confidentiality; or (e) was independently discovered or developed by or on behalf of the Receiving Party without the use of or reference to the Confidential Information belonging to the other Party, to the extent evidenced by the Receiving Party's contemporaneously-maintained written records. For the avoidance of doubt,

without regard to the marking requirement above, information provided by Harvard to Licensee in connection with patent prosecution under this Agreement by Harvard is deemed to be the Confidential Information of Harvard. Notwithstanding anything to the contrary in the foregoing, Receiving Party may disclose Confidential Information, without violating its obligations of confidentiality under this Agreement, to the extent the disclosure is required by a valid order of a court or other governmental body of competent jurisdiction or is otherwise required by law or regulation; provided that the Receiving Party shall give reasonable prior written notice to the Disclosing Party of such required disclosure and, at the Disclosing Party's request and expense, shall cooperate with the Disclosing Party's efforts to contest such requirement, to obtain a protective order requiring that the Confidential Information so disclosed be used only for the purposes for which the order was issued or the law or regulation required, and/or to obtain other confidential treatment of such Confidential Information. In any event, the Receiving Party shall only disclose that portion of the Confidential Information that is legally required to be disclosed. The exceptions in this Section 11.1 do not apply to voluntary registration of securities by Licensee with the U.S. Securities and Exchange Commission or any other administrative body or governmental entity, which remain subject to prior written approval of Harvard, not to be unreasonably withheld..

11.2. Terms of This Agreement. The terms of this Agreement shall be the Confidential Information of both Parties. Each Party agrees not to, and to cause its Affiliates not to, disclose to any Third Party the terms of this Agreement without the prior written consent of the other Party hereto, except that, notwithstanding anything to the contrary in this Agreement, each Party and its Affiliates may disclose the terms of this Agreement without such consent to advisors (including financial advisors, attorneys, and accountants), actual or potential acquisition partners or private investors, lenders, actual or potential licensees and Sublicensees, and others on a reasonable need-to-know basis, in each case under appropriate confidentiality provisions substantially equivalent to those in this Agreement. Notwithstanding any other provisions of this Agreement, (a) the Parties may provide information about this Agreement and amounts paid as part of routinely prepared summary documents that do not disclose any terms that were not disclosed in a press release approved by the other Party and (b) the Parties may make factual statements regarding the existence, nature, and type of this Agreement, *provided* that such statements do not disclose specific terms hereof.
